JOCKEY BELL IN TROUBLE

BRIGHTON STEWARDS SUSPEND HIM AND REFER HIS CASE TO JOCKEY CLUB.

Sir Russell a Surprise in Third Race—Single Shot Makes Good in a Stirring Finish—Angler Wins Again.

New York, July 20.—The stewards of the Brighton meeting acted quickly today in the case of jockey Bell, who rode the horse Bobbie Kean into a distant third behind Aeronaut in the handicap. The license of the western rider was ordered suspended and his case referred to the Stewards of the Jockey Club. It is also rumored that steeplechase jockey Buttner's application for a license will be held up pending an investigation into his handling of El Cuchillo in Thursday's steeplechase. Notwithstanding that today's card at Brighton was made up wholly of overnight races, interest in the racing was just as keen as ever, judging by the attendance, which, for a Friday, was unprecedentedly large.

T. C. McDowell's improving two-year-old Dashaway defeated a fine band of juveniles in the opening sprint. The Salvador colt, which is one of the few of the get of his renowned sire, actually engaged on the turf, galloped much like Salvator, Pat Dunne's brilliant racer of a few years back.

Single Shot, another representative of the Blue Grass country, took the second race at a mile and a sixteenth by a short head. Her young owner, Woodford Clay, looked the picture of misery during the trying twenty-five seconds consumed in that last gruelling quarter with the result in doubt until the very last stride.

Pantoufle, at odds-on and with Miller up, appeared a formidable combination on paper. The plungers went the limit and were a dazed lot after it was all over. Sir Russell, which had performed brilliantly in his preceding race, an affair for gentlemen riders, developed unexpected speed and stamina today and downed the former Keene filly and quondam conqueror of Tiptoe in bewildering fashion.

Aeronaut, intelligently rated in front and his superlative speed conserved, finally lasted out the full mile and a sixteenth journey. The surprise of the race was Maxnar, which throughout the running figured the only serious contender. Bobbie Kean lacked support, whereas the winner was backed as if the race was all over but the shouting. The stewards, having finally awakened to the fact that the betting ring as an "indicator" has no equal and is nearly always infallible, evinced more than a cursory interest in the race and seemingly took exceptions to jockey Bell's ride on the supposed contender with the result already stated. The California jockey will undoubtedly be ruled off the turf.

The Whitney establishment started a pair of privately acclaimed world beaters in the fifth race for two-year-olds at five and a half furlongs. They were Fads and Fancies and Puritan Girl, surely an ill-mated pair. However, they proved to be "lemons" and the ring was exceedingly puzzled at the hot tip which brought many thousands of dollars of easy money to their coffers. J. E. Madden turned an unsuspected good one loose in Fantastic, and the manner of her victory indicates the possession of superior speed.

Angler, assuredly a horse of stake caliber, showed to advantage in the closing race at a mile and a quarter. The Hindoo—Alga four-year-old is now making good the promise of his two-year-old trials. It was mere play for him to defeat those opposed to him today.

The principal topic among the turfmen was Miller's ride on Logistilla yesterday. In one group, the members of which talked more conservatively than many others, Archie Zimmer said to Sam Hildreth: "Don't you think if you had laid back with Bobbie Kean you would have won?" to which Hildreth replied: "All I care to say is I wish Bobbie Kean had waited until I finished."

Dr. H. E. Rowell, the California horseman, will make only a brief stay in the east. By the middle of August his horses will have been shipped back to Oakland to rest up preparatory to engaging in a long winter campaign.

MOHARIB GOES INTO THE STUD.

Lexington, Ky., July 20.—Wild Mint, Knight Errant, Moharib and eight thoroughbred yearlings arrived here today from the east. Wild Mint will go into the stud at Castleton. Knight Errant goes into the stud at Runnymede and Moharib at the farm of Chinn & Forsythe. The yearlings are owned by T. C. McDowell, Wood Clay, Jack Sheehan and J. V. Shipp.

TO RIDE A HORSE 100 MILES IN 24 HOURS.

New York, July 20.—Society is at present interested in a wager to test the endurance of one of the prominent racehorse owners as a long distance rider. It is between "Eddie" Norton and H. K. Vingt. Mr. Norton wagered Mr. Vingt \$1,000 that the latter cannot ride a horse 100 miles in 24 hours. The trial is to be made within two weeks and will probably come off at Sheepshead Bay.

MAHER RIDES ANOTHER STAKE WINNER.

London, July 20.—Llangibby, ridden by Danny Maher, won the Eclipse Stakes at Sandown Park today. Beppo was second and Wombwell was third. Nine horses started. "Skeets" Martin rode Wombwell. The betting was 2 to 1 against Llangibby, which was an easy winner. The Eclipse Stakes are of 10,000 sovereigns, for three and four-year-olds; distance about one mile and a quarter.

HEAVY RAIN MARS THE RACING AT LATONIA.

Track Is Muddy After First Race—Subador Wins Steeplechase—Stoddard Breaks a Shoulder.

Cincinnati, O., July 20.—The big crowd at Latonia received a scare today. A heavy rainstorm came up right after the first race. There was hurrying and scurrying for shelter underneath the grandstand, but fortunately the blow was soon over. The rain, however, descending in torrents, left the track in a sloppy condition for the remaining races. The ordinary card had been heavily reduced by scratches and after the rain there were more withdrawals.

The steeplechase did not provide even the semblance of a good contest. Subador, early opening up a gap of three lengths, led by about that distance to the finish, winning easily. Stoddard fell at the water jump and broke his right shoulder. He will probably be destroyed. Jockey Gaddy escaped without serious injury. Arc Light ran out at the third jump.

Only three started in the seven furlongs race, as both John Carroll and White Plume, neither of which can run in the mud, were excused. Gus Heidorn, a good mud runner was withdrawn before the rain came on. With only 88 pounds to shoulder, Nonie Lucille was thought best. With a good ride she might have won, but Heffernan messed her all over the track. He held a clear lead to the head of the stretch where he swung wide and permitted the filly to swerve nearly to the outside rail, losing four or five lengths. Austin hugged the inner rail with Alcor, saved ground, and won easily, Nonie Lucille easily beating John L. Inglis for second place.

Nicol was to have ridden John Carroll, Golden Mineral and Royal Legend. Their withdrawal kept the rider on the ground.

D. H. Barnes was among today's arrivals. He says prospects for a successful racing season this winter at New Orleans never looked better.

C. C. McCafferty, becoming dissatisfied with the riding of D. Riley, who was under contract to him, let that youngster go today.

Only sixteen bookmakers did business. This is the smallest number that has been in line since the meeting began.

J. C. Yeager departed for New York tonight. He will be absent for nearly two weeks and during his stay in the Metropolis will try to purchase several horses to bring back here. He offered \$2,500 for McIlvain, which was refused.

EDICT IS DISQUALIFIED AND DESTROYED.

Breaks a Leg and Knocks Down Nun's Veiling in First Race at Fort Erie.

Buffalo, N. Y., July 20.—Twenty yards from the finish of the first race at Fort Erie today, Edict, the favorite, broke a leg, swerved into Nun's Veiling, knocked her down, hobbled home first a neck in front of Rubaiyat, was disqualified to the favor of the Gardner gelding, and was then put out of his misery with a friendly bullet. Nun's Veiling would have won but for the accident.

The crowd was larger than usually seen at the track on a Friday and the speculation was brisk. The bookmakers had no reason to complain of the break they received, as they paid off on only two favorites.

Pat Knebelkamp, who was denied the privileges at Latonia, had an interview with Judge Price and immediately afterwards left the track.

Jockey Wishard will be an addition to the riding material here Monday. He will be in charge of Joe McLennan.

James Johnson will ship the string of P. Lorillard to New York tomorrow.

W. MINTYRE BREAKS HIS COLLARBONE.

Salem, N. H., July 20.—Jockey W. McIntyre had his collarbone broken as the result of a collision between Miss Morgan and Huddy just after the start in the last race at Rockingham Park today. Garner, who was riding Huddy, escaped uninjured.

Another banner crowd was out today, many visitors coming by special train from the neighboring New England cities. The superheated atmosphere made the afternoon uncomfortable. Mike Daly wore a broad grin today after having captured two races, one of them the Continental Handicap, of \$1,000, at six furlongs for two-year-olds, the feature of the card. J. C. Nally's Sheridan was an added starter, but might just as well have been left in the barn. Johnny Daly rated his father's horse carefully, holding him in reserve until he was ready to move up, giving him a vigorous hand ride through the stretch.

Tomorrow is to be the closing day and a tremendous crowd is expected, hence the seven races. Matt Byrnes will ship to Saratoga from here.

FAMOUS JUMPER IS KILLED.

Manchester, Mass., July 20.—The famous steeplechaser, Land of Clover, owned by R. C. Hooper of Boston, was so severely injured by an automobile here today that he had to be killed. A groom was riding Land of Clover when an automobile struck the horse a heavy blow, breaking its leg. The groom was badly injured, but will recover. Land of Clover was a bay gelding eight years old, by Flatlands—Lucky Clover. He was not raced as a two-year-old, beginning his career as a three-year-old and as the property of George H. Shearer. He was sent to the post a dozen times on the flat in 1901, but did not win a race. It was at the end of his unsuccessful year as a three-year-old that Mr. Hooper, whose racing name is "Mr. Chamblat," bought him. As a four-year-old he spent the year in schooling for cross-country racing. He made his appearance as a jumper in the spring of 1903 and did the things that made him famous. That year he started eleven times, winning five, was second three times and third once. The first race he ever

Winner—B. g. by Hinyar—Recovery (trained by J. K. Frayling). Went to post at 2:50. At post 1 minute. Start good. Won driving; second the same. Edict was with to the head of the stretch and then came away without much effort, but broke down twenty yards from the finish and swerved badly, bumping into Nun's Veiling and causing her to fall. Edict finished with his rider hanging to his neck, but was disqualified. Rubaiyat set the pace fast from the start and hung on gamely in the drive through the stretch. Olive Leaf finished well. Nun's Veiling was running fast when the accident occurred.

Winner—Ch. c. by Don de Oro—E. S. J. (trained by W. G. Brien). Went to post at 3:28. At post 7 minutes. Start good. Won driving; second the same. De Oro raced Irene A. into exhaustion, then stood a long drive gamely and had enough left to stall off the rush of Spherical. The latter was outrun in the early stages and turned wide into the stretch, but was coming fast at the end and would have won in another stride. Alanie ran a good race and tired at the end, but held on resolutely. Nellie Racine finished with a rush and would have been third in another stride. Timothy Wen showed speed. Irene A. ran a fast half, then quit and ran below her true form.

Request was always close up and, taking the lead on the far turn, kept it, but was tiring at the finish and just lasted long enough. Rebounder began slowly and, closing a gap, came fast through the stretch and barely failed to get up. Lutie Mac saved ground on the turns and finished fast. Comic Opera bore out in the last eighth. Monochord sulked all the way. Marpessa showed speed, but failed to stay.

Martin Doyle is in fine form, waited on Hyperion II. to the stretch turn, then drew away and won with plenty in reserve. Benvolio came with a rush through the stretch and got up for second place in the last stride. Hyperion II. set the pace and ran a fast mile, but tired in the final furlong and did not run to his best form.

Win at post at 4:38. At post 2 minutes. Start good for all but Beatrice H. Won driving; second and third the same. Triumphant showed the most speed, went to the front at the rise of the barrier and easily won a winning one in the last lap. Beatrice H. had enough lead to stall off the rush of Miss Lida, but she latter ran in suddenly improved form and finished fast. Reside, as usual, began slowly but finished with a rush. Affinity had no mishaps. Moccasin showed enough early speed, but tired in the stretch. Bathmaria finished well. Tom Gilroy can do much better.

CHICAGO, ILLINOIS, JULY 21, 1906.

TODAY'S BEST.

At Fort Erie—Charlie Gilbert, second race.
At Brighton Beach—Water Pearl, fourth race.
At Rockingham Park—Rebo, fifth race.
At Latonia—Concert, fourth race.
Best of the day—Water Pearl.

Von Tromp is an unlucky horse but very fast, and may take the third Brighton at good odds.

RYE IS A GOOD RACEHORSE.

Rye, the three-year-old bay gelding by Greenan Degenerate, daughter of Tenny and Himyance, is not alone a real stand-by with the betting public in the east this season, but he is a genuine racehorse bargain. Rye was bred by J. B. Haggin at Elmhurst Stud in Kentucky. He was foaled on April 11, 1903, and was sold as a yearling at Sheepshead Bay June 21, 1904. He was knocked down to Mike Clancy's bid of \$250. This veteran bought him for C. D. Sullivan, his present owner. He was turned over to John Hynes to train and made his first start at Brighton Beach July 6, 1905. He won the fifth time out, after he had been taken to Providence.

As a two-year-old Rye started nine times, won three races, was second three times and unplaced three times, earning \$1,940. This year he has started thirteen times, won seven, been second four times and unplaced twice, earning \$6,560. This makes his total winnings to date \$7,500, to say nothing of the vast sums his connections have taken from the bookmakers. He never starts but what he is backed for thousands. It is said that his victory at Brighton Beach Thursday cost the ring at least \$100,000. His people are alive to his capabilities and have displayed excellent judgment in selecting his races. While he has more than average speed and has won at a mile in 1:39½, he has displayed no fancy for weight. He likes 105 pounds or less in his saddle and appears to race best with about 100 pounds up. Walter Miller has ridden him in all of his victories this season and Tom Welch is saddling him now.

Incidentally, it may be mentioned that Rye is the first foal of Degenerate and she in turn is the first foal of Himyance. Himyance was a daughter of Pirate of Penzance. She was never raced. Mamie Brady, the two-year-old filly in the stable of J. W. May, is a half sister to Rye. She is by Longstreet. Trainer May bought her as a yearling for \$300 on September 5 last. She started a couple of times at Sheepshead Bay, but was unplaced.

PROBABLE FUTURITY CONTESTANTS.

The last declaration from the Futurity of this year fell due July 15. At that time 275 colts and fillies were eligible. This number has certainly been greatly cut down by the last declaration. How many have been left in will not be made public for a few days, but it is not likely that many of the established good two-year-olds are without a chance to start and in that respect the race now presents a satisfactory aspect. In the list eligible before the final declaration were the names of Horace E., Water Pearl, Jack Atkin, Bailot, Peter Pan, de Mund, Mentha, Orran, Charles Edward, Dick Finell, Okenite, Rosemount, Misgivings, Paumonok, Golf Ball, Yankee Gun, Altuda, Faust, McCarter, Toddles, Charles G. Gates, Electioneer and Frank Gill, besides a number of highly bred ones that have probably been reserved especially for the Futurity and will be given the customary educational course of racing at the Saratoga meeting. The race will be run September 1 and will be unusually interesting to western admirers of racing because of Horace E. and Jack Atkin being among the almost certain starters.

STEELE TO BREAK RAINEY YEARLINGS.

Lexington, Ky., July 20.—William Steele, for many years assistant to trainer Julius Bauer, has arrived from New York to open a public training stable at the Kentucky Association Course. He brought with him the following five yearlings which were purchased at the recent Sheepshead Bay sales by trainer J. W. May for Paul J. Rainey, of Cleveland, O., the aggregate cost being \$16,200: Phoenix National, chestnut colt (brother to Major Daingerfield), by Handspring—Mon Droit \$5,500.
Bay colt (half brother to John Smulski), by Star Shoot—Ellangowan 4,500.
Bay colt (half brother to Candida), by Bridgewater—Blackheart 2,500.
Bay colt (half brother to Hyperion H.), by St. Simonian—Van-a-Clar 2,000.
Bay colt (brother to Eonic), by Eon—Mermaid 1,700.
Trainer Steele will break these colts, try them out next fall and turn them over to trainer May next spring.

JOCKEY POWELL IS RULED OFF.

Jockey Benjamin Powell has been ruled off the turf by the judges at Seattle. "Powell's disgrace" was the outcome of his ride on Ruby, June 22," says the Seattle Post-Intelligencer. "Ruby, an 11 to 20 favorite, was beaten by Judge and the ride at the time looked suspicious to the judges. They suspended him for fifteen racing days after an investigation, but could find nothing wrong. A few days ago Powell made a statement in which he admitted having pulled Ruby in the race. Later he stated that his first statement was untrue. There was no unusual backing for Judge, but the officials are unable to state which of Powell's stories is true. However, if true or not, he was found guilty of telling a falsehood to the judges and to the stewards and was ruled off the turf for life."

BAIKAL'S INJURY PROVES FATAL.

Baikal, the six-year-old bay gelding by Patton-Secret, owned by George W. Poole, has been, or will be destroyed. Baikal broke down in his last

race, which was at Windsor on July 6. Mr. Poole in the belief that there might be a chance to restore him, left the horse in the care of an acquaintance and came to Chicago. Yesterday he received a telegram advising him that Baikal's case was hopeless and that the horse would have to be destroyed. Mr. Poole is here to take up some horses that have been running out on a nearby farm. He will train them at Harlem. There are about forty horses in training at Harlem now. Ed. Trotter is there with his entire string. It is said to be his intention to remain at this track until the opening of the meeting at Douglas Park, Louisville.

FORTUNE SMILES ON ARKELL AGAIN.

Report has it that W. J. Arkell has made a fortune in the Nevada gold fields, locating a rich ledge in the Manhattan section which has rehabilitated him financially. Arkell was for a number of years a prominent figure in New York as the proprietor of the comic publication Judge, and took a lively interest in turf affairs. At one time he owned quite a number of racers, some entirely and some in partnership with Gwyn R. Tompkins. Perhaps the best horse in which he was interested was the noted stayer Hindocraft, in memory of which his strike at Manhattan was called the Hindocraft gold mine. Broken in fortune, Arkell went to Tonopah some three years ago, with favorable results, if the report that has drifted east is well founded.

NEW FIELD FOR RACING IN WEST.

The proposition of W. A. Clark, Jr., to form a summer racing circuit in the cities of Denver, Salt Lake, Ogden, Colorado Springs, Great Falls, Helena, Livingston, Butte, Seattle and Spokane is receiving encouragement from the press in the far west. The plans are uncertain as yet, but it is understood that Z. G. Stebbins, of Chicago, who presided in the judges' stand at the recent Denver meeting, and G. A. Wahlgreen, secretary of the Denver-Overland Club, will visit the cities named in the course of the next thirty days for the purpose of organizing for the summer of 1907. The racing on this circuit will embrace a period of about six months. It is likely that the Western Jockey Club will govern.

DADE CURES JOCKEY MILLER.

Jockey Miller is not the hero that he was early in the eastern season. A month ago he had a wild following in the ring and among the New York newspapers. Now he is an ordinary jockey and several boys are estimated to outclass him. Starter Dade is said to have tamed him in his barrier beating trick and altogether the young man is not in the deep clover he was earlier in the season. Thursday's New York Sun says of the boy: "Miller has not been able to beat the barrier once since starter Dade began work at the beach. He is compelled to take his chances with the other boys, all of whom are treated with uniform fairness."

McKITTREDGE IS A RACING FAILURE.

H. B. Duryea and trainer John Huggins have lost all hope of McKittredge, the half brother of McChesney and First Mason. Huggins does not know what ails the colt. He is as sound as specie; he eats ravenously and he works fast. He simply will not extend himself in a race. Mr. Duryea bought him because of his excellent breeding and his striking individuality. He ran one or two fair races as a two-year-old, and once this year at Belmont Park he did fairly well.

HOWLAND A PRESENT TO BREEDING BUREAU.

New York, July 20.—Steward H. K. Knapp, of the Jockey Club, owner of the Onock Stable, has bought the stallion Howland, and has presented the horse to the Bureau of Breeding. The purchase was made by wire and the horse will at once be shipped from Kentucky to New York. Howland is considered one of the most desirable acquisitions. He is by Hindoo—Ricochet, foaled in 1895, and was a good two-year-old performer.

MAY HOLD MORNING MEETINGS.

It is said that in order to avoid a conflict with some of the other tracks the steeplechase meetings at New York tracks of the United Hurdle Racing Association will begin at 11 o'clock in the morning. Under such a plan cross-country enthusiasts would have a chance to see their favorite sport at the new track and then, after lunch, go to Belmont Park in the afternoon. It is believed that the new track will be opened during the fall meeting at Belmont Park.

Moccasin Maid, running the best race she has shown, followed the early leaders closely to the stretch turn, where she assumed the lead and came away with ease. Beatrice K., lucky throughout, showed the way to the last sixteenth, where she tired slightly and barely lasted long enough to save second place. Lacene, away in a tangle, had to overcome much interference and finished going fast. Lady March was in close quarters during the stretch run and ran a good race. Toppy Girl tired after going a half and was worked out an extra furlong. Cygnet showed speed, but failed to stay. The race was run in a terrible windstorm.

Winner—B. f. by Woolsthorpe—Extra (trained by W. A. Smith).

Went to post at 2:59. At post 2 minutes. Start bad. Won easily; second and third driving. Della Thorpe, favored by the slow going, showed the most speed all the way and, staying better than usual, held Friction safe through the stretch drive. Friction, away slowly, had to close a considerable gap and tired slightly in the final drive. Tollgatherer broke fully in motion and ran forwardly from the start, finishing well and was much the best of the others. La Thorpe quit after being a contender for the first half. Elected ran a bad race and seemingly disliked the muddy going. Emily Frances showed speed, but tired badly in the last furlong.

Scratched—63699 Margie, 109; 63699 Demo, 107; 63699 Hybrid, 101; 63196 Larry D., 98; 62886 Black Enamel, 96.

Overweights—Ruth M'C, 1 1/2 pounds.

63774 THIRD RACE—3/4 Mile. (1:12) (3-103.) Purse \$400. 3-year-olds and upward. Selling. Net value to winner \$300.

Winner—B. f. by Kismet—Juanita (trained by C. C. McCafferty).

Went to post at 3:30. At post 1 minute. Start good. Won easily; second and third driving. Mill Song ran kindly in the going, was close in the early stages and, wearing down Mum in the final furlong, won with plenty in reserve. Sand Bath began slowly and moved up gamely after going a half and, standing a hard drive resolutely, got up for second place in the final stride. Mum showed great speed for the first five furlongs, but quit badly thereafter. Potter ran a fairly good race only and was outpaced throughout. The others were always outrun and were never serious contenders.

Scratched—63224 Darling, 100; 63700 El Otros, 114; 63701 Wee Lass, 100; 59508 Collonade, 110; 63252 Shining Star, 106; 63596 Dr. Turner, 95; 63723 Miss Anxious, 98; 63703 Dr. Burch, 93; 39486 Bridal March, 100.

Winner—B. g. by Florist—Mary Louise (trained by C. Maundling).

Went to post at 3:53. At post 1 minute. Start good. Won easily; second driving; third easily. Subador ran as if best in the going, fenced cleanly and held the others safe at all stages. Modredlaw ran in improved form and was right there throughout and was best of the others. Full of Fun fenced well, but lagged badly between jumps and was an easing up third. Weird tired fast after going one turn of the field and was eased up. Jolo was beaten off. Arc Light ran out at the fourth jump. Stoddard fell at the water jump and broke his shoulder.

Went to post at 4:13. Off at once to a good start. Won handily; second driving. ALCOR, well handled, followed Nonie Lucille closely to the stretch turn, where he gradually wore her down and won drawing away. Nonie Lucille showed the most early speed and liked the going, but when tiring began boring out, thereby losing much ground. John L. Inglis ran a fairly good race and was going well at the end.

Winner—B. f. by Toddington—Salverine (trained by J. W. Hall).

Went to post at 4:42. At post 1 minute. Start bad. Won driving; second and third the same. Field Lark, favored by the going and running to her best form, wore down Minnie Johnson after going a half and, standing a hard drive in the final furlong, lasted long enough. Alma Gardia, much the best, was away poorly, had to close a big gap after overcoming a lot of interference and, finishing fast, would have won in a few more strides. Principia was in close quarters during the first half, had to go wide into the stretch and was going well at the end. Zinda tired in the last quarter. Minnie Johnson showed much speed, but quit after going a half. Revolta was a forward contender for the first half.

Scratched—63749 Bitter Brown, 98; 59082 Flammula, 104; 63728 Lady Charade, 103; 63701 Lidwina, 107; 63466 Royal Legend, 107.
